

Homeschool History Fair

Monday, March 19th

Love history?

Want a place to show off your history knowledge?

The Homeschool History Fair is the place for you! There will be four grade categories, K-2nd, 3rd-5th, 6th-8th and high school AND three winners within each category! There will also be an overall winner who will take home the BIG TROPHY! The overall winner could come from any age category, so be sure to do your best and impress the judges!

You don't want to miss this event!

When trying to decide what your project will be, take a second to consider these tips.

Important History Fair Times

- 9:00am- 10:00am Set up projects
- 10:00am- Project judging will begin (all participants need to be present during this time to have your project judged.)
- 12:00pm- Awards Ceremony Begins

History Fair Tips

- Pick something or someone that interests you.
- Pick something significant.
- Pick something you can find reliable sources on.
- Be able to answer the following questions:
 - “This is important because...”
 - “I am interested in this because...”
 - “ I learned...”

History Fair Rules

1. Project topics are your choice. Choose from any period in history.
2. Only one student per entry, you can't work in a team of two.
3. Adults can help, in fact we want them to get involved. They can help gather materials, supervise your project and even help build the display. They just can't be with you during the judging.
4. You will be judged on how well you have learned and presented your topic.
5. Displays must be on display boards or poster boards. They must stand alone.
6. Please try to limit your presentation to the judges for less than 7 minutes. This will allow judges the opportunity to hear your presentation and ask a few questions.
7. Respect all participants involved in the fair... especially the judges!
8. All decisions of the judges and history fair committee are final.
9. All materials brought in with your project need to be safe for the participants and the library. **NO WEAPONS WILL BE PERMITTED.**

SMILE

There will be pictures as well as video taken during the Homeschool History Fair by library staff. These will be shared on the Laurel County Public Library's social media pages. Please inform library staff if you do not want your picture taken.
